Skills

Python, C, C++

DSA

HTML, CSS, Javascript

DBMS, Virtualization

Analytical Thinking

Adaptability

Team Collaboration

MOOC Certificates

- Introduction to Python 1,2
- Introduction to Artificial Intelligence
- Healthy Habits for Healthy Life

Aman Narnolia

CSE STUDENT

About me

Aspiring CSE student with experience in hackathons, and self-driven projects. Passionate about learning new things and building efficient, user-focused solutions.

Experience

Project-Based Experience

- Designed and developed responsive web applications using HTML, CSS, and JavaScript
- Built intuitive, user-centric interfaces with a focus on usability and cross-device compatibility
- Participated in multiple hackathons, demonstrating strong problem-solving, teamwork, and rapid prototyping skills.
- Applied structured problem-solving and debugging techniques to optimize performance and functionality

CAREER OBJECTIVE

- To build a career as a Software Developer by leveraging my knowledge of web technologies and problem-solving skills to develop scalable, high-quality applications, while growing into a proficient and impactful engineer.

Education

• Lovely Professional University

- Bachelor Of Technology
- Computer Science & Engineering

• Vinayak Convent Sr. Sec. School

- Completed schooling in 2024 Strong academic performance with consistent participation in school activities.
